

The Guildford URC Music Society

The Guildford United Reformed Church Music Society was formed in 1992 to present music of a high standard widely available.

Besides engaging well-established artists, we take much pleasure in encouraging the many talented young musicians of today. We also wish to foster the love of, and interest in, music among children. With this aim, we offer a series of Saturday afternoon workshops for children between six and eleven years.

The Venue

We are fortunate in being able to hold most of our concerts in the church at 83 Portsmouth Road, which has one of the finest church organs in the south of England. We also have a fully restored c.1892 Bechstein concert grand piano.

This is a modern church, with excellent acoustics, and there is a loop system for the hard of hearing. There is easy wheelchair access and a warm and relaxed atmosphere where refreshments are also available. There is parking at the rear.

Membership of Guildford URC Music Society

Membership is open to everyone at an annual subscription of £10 with concessions for members and students.
